WINTER 2025

Greetings from CPRA

Greetings from the College Park Recreation Association Board!
As we wrap up another season of programs, we want to extend a heartfelt thank you to everyone in our community. Your participation and support are what make our programs thrive and create a connected neighborhood.

A special shout-out goes to our incredible volunteers! Your dedication has been invaluable. We also want to express our gratitude to our amazing instructors, whose expertise and passion have enriched the lives of so many participants.

Together, we were able to create opportunities for learning, connection, and fun – and we couldn't have done it without you!

Thank you for a wonderful year!

With gratitude,
