

## College Park Recreational Association (CPRA)

# FALL 2023 NEWSLETTER

---

## WELCOME FROM CPRA BOARD, REQUEST FOR VOLUNTEERS

Greetings from CPRA Board members. CPRA is a volunteer run Association and its purpose is to help improve the quality of life of those living in the College Park community. CPRA provides low cost recreational activities close to home in various age groups, both indoor and outdoor during Winter, Spring and Fall. In June 2023, CPRA also arranged BBQ at the Park for the community members. We have planned a lot of fun programs for Fall 2023 including learning to Sketch, Tai Chi, Learning Spanish, Basketball and family fun nights!

Joining CPRA is a great way to help ensure some of the things you enjoy taking part in will continue in the community, and you will help make College Park an even greater place to live! Please email our president for more details. Follow us Facebook, twitter, and Instagram pages for most up to date information.

## ANNUAL GENERAL MEETING (AGM) 2023

CPRA's AGM is scheduled for **Wednesday September 13 from 7 PM to 9 PM** at the Ecole College Park Gymnasium. Please join us for some snacks and get to know others living in the community. It's also a good time to learn more about some of the great things offered by the CPRA. While here, you can also register for Fall programs, and see what positions are open on the executive board. Mark your calendars and join us.

## RINK NEWS

The supervised skating hours at the ice rink located next to Cardinal Leger School are from 6 pm to 8 pm Thursdays and from 1 pm to 3 pm Saturdays and Sundays.

This rink is a great service for the community of all ages to enjoy. Without enough volunteers, CPRA will not be able to maintain the rink for the 2023/24 season. If you love the rink and want to be part of the rink team, please reach out to CPRA. Volunteers will be involved in helping with flooding, scraping, and snow clearing to ensure the rink is in good condition for the community throughout the winter season!

## FALL 2023 PROGRAMS

For full Program Descriptions, please visit CPRA web-site. Programs will be run at Ecole College Park Elementary School Gym. Registration can be done either online at CPRA's website or at the AGM.
